Alumni Association Golf Travel
Destination Kohler, Kohler, Wisconsin USA

USJT Golf Travel, specializing exclusively in golf travel to Scotland, Ireland, and Destination Kohler has assembled a unique and distinct international golf program for colleges, universities, and their alumni association members.

USJT Golf Travel will only propose itineraries that will provide unmatched experiences and great value and are administered using the following corporate policies:

“Our First-Hand Knowledge Guarantee” assures every traveler that **USJT Golf Travel** has visited, inspected, and established a close business relationship with every golf course, practice range, university facility, bed and breakfast, hotel, ground transportation provider, and sightseeing attraction that our customers will experience.

“Our Common Sense Approach” focuses on the two most important commodities to golf travel - time and energy. **USJT Golf Travel** wisely budgets golfers’ time allowing for maximum use of each day while scheduling proper and appropriate amounts of rest so golfers are ready and able to enjoy every part of the adventure.

Every arrangement and request including selection of golf courses, tee times, accommodations, sightseeing, and ground transportation are handled by professionals who have personally experienced Destination Kohler.

2014 Travel Date Options:

Sunday, July 6 through Friday, July 11, 2014

Sunday, September 7 through Friday, September 12, 2014

Accommodation Options

The Inn on Wood Lake – 3-Star

With extensive renovations to all 121 guest rooms, the Inn on Woodlake continues its reputation as one of the premier leisure and business-class hotels in the Midwest. Experience all new guest rooms, state-of-the-art meeting space and warm common areas that offer guests a feeling of luxury in a relaxed atmosphere and includes complimentary access to Sports Core Health and Racquet Club

The American Club – 5-Star

The American Club resort-hotel was built in 1918 as a boarding house for immigrants working in the Kohler factory. In 1981 it was renovated and serves as one of the area's most luxurious resort hotel in the Midwest. The American Club presents a very striking first impression with its Tudor architecture and its soaring roof peaks and slate tile. The hotel is filled with traditional American heritage Baker and McGuire furnishings. Acclaimed interior designer Frank Nicholson based in Boston designed the interior. And all 240 rooms have a Kohler Co. whirlpool bath and fixtures in the bathroom. We are most well known for our luxurious bathrooms.

Kohler Waters Spa at The American Club

Kohler Waters Spa is a 25,000 square foot full-service spa that offers guests a tranquil, classically-styled environment featuring 21 treatment rooms with innovative Kohler Co. bathing products and exclusively therapeutic water services. Located next to The American Club in Kohler, Wisconsin, the Kohler Waters Spa is conveniently located so you can drop in for a nourishing treatment, or step into a robe and experience all-day immersion.

Sports Core

A health, fitness and racket club with more than 100,000 sq.ft. of facility space on the shores of Wood Lake. This “onsite” facility in the Village of Kohler is open to hotel guests offering a variety of stimulating group classes geared to all fitness levels including aerobics, total body conditioning, cross training, yoga, Pilates, Spinning and kick boxing. Sports Core's training centers feature the latest in exercise equipment including StairMasters, Lifecycles, Precor and Life Fitness treadmills, Arc trainers and elliptical trainers, free weights and Cybex circuit training equipment.

Blackwolf Run

Comprises two 18-hole golf courses: River Course and Meadow Valleys Course)

Host site of the 1995, 1996, and 1997 Anderson Consulting World Championships of Golf, 1998, 2010, and 2012 U.S. Women's Open

River Course

The River course meanders throughout the Sheboygan River which comes in to play on 10 of the 18 holes. Additional water hazards on the course help to make the River an extremely penal course. The undulating greens and elevation changes are sure to frustrate players while the natural beauty is sure to please. The course has four sets of tees to accommodate players of any ability.

Meadow Valleys Course

The Meadow Valley course is appropriately named seeing that the front nine wanders through an open meadow and the back nine is carved out of a natural valley. The course has large rolling fairways and difficult greens. The back nine hosts several substantial elevation changes including the dramatic 227 yard par 3 15th hole. The course has four sets of tees to accommodate players of any ability.

Whistling Straits

Comprises two 18-hole golf courses: Straits Course and Irish Course: Host site of 2004, 2010 and 2015 PGA Championships, 2007 US Senior Open, and the 2020 Ryder Cup

Straits Course

The Straits course runs along 2 miles of uninterrupted shoreline of Lake Michigan. All eighteen holes have a view of the lake while eight of them run directly along the shoreline. Enormous bluffs, massive sand dunes and the traditional fescue grass fairways make the Straits course a unique and very challenging golf experience. The course has five sets of tees to accommodate players of any ability.

Irish Course

The Irish course opened in August of 2000 to rave reviews. Four streams meander their way throughout the course giving it both character and bite. Similar to the Straits course, The Irish course has a multitude of large bluffs and sand dunes that add to the personality and difficulty of the course. The 13th hole, appropriately named "Blind man's bluff", is a blind par three with a 14,500 square foot green surrounded by 20-40 foot sand dunes. The course has five sets of tees to accommodate players of any ability.

Ground Transportation:

USJT Golf Travel participants are provided ground transportation by companies with modern, certified motor coaches driven by professional drivers.

Escort

All groups traveling with *USJT Golf Travel* have an expert travel escort in addition to driver/guide assigned to their program. The trained escort will be at your service and handle all questions and issues.

Incentives

One complimentary program will be included with each twelve (12) paid travelers.
